

## REJUVENATE

### InterFuse® Intensive Treatment LINES

**Description:** The first of its kind, no-needle solution to the appearance of wrinkles.

**Key Benefits:**

- Injectable-grade hyaluronic acid is delivered deeper and faster using exclusive cutting-edge InterFuse® technology
- Expression lines appear immediately softer
- Messenger peptides, an amino acid building block and vitamin C work synergistically to support the skin's matrix
- A spot treatment that improves the appearance of crow's feet, expression lines, lip lines, and wrinkles
- Works best when used as the first step of your skinbetter science® regimen

**Suitable for:**  
All skin types

**Usage:** AM & PM

Apply thin layer morning and evening on clean, dry skin to targeted areas: crows feet, forehead, upper lid, and smile lines

**Key Ingredients:** 5 types of hyaluronic acid, calming peptide blend, messenger peptide blend, tetrahexyldecyl ascorbate, marine collagen

### InterFuse® Treatment Cream EYE

**Description:** Revolutionary and comprehensive cream with a mixture of potent skin rejuvenating ingredients, masterfully designed for the area around the eyes

**Key Benefits:**

- A cutting edge blend of messenger peptides goes deeper and faster using InterFuse® technology to improve the feel of skin density and firmness
- Under eye puffiness and congestion are minimized
- Vitamin C brightens tired, dull under eye skin
- Relaxes the appearance of crows feet
- Improves moisture retention and diminishes dryness

**Suitable for:**

All skin types

Use for crows feet, under eye puffiness and darkness

**Usage:** AM & PM

Apply a thin layer morning and evening to the delicate under eye area. Best if applied after InterFuse® Intensive Treatment LINES

**Key Ingredients:** blend of caffeine and yeast, vitamin C and niacinamide, hyaluronic acid, carbohydrate complex, calming peptide blend, messenger peptide blend

### InterFuse® Treatment Cream FACE

**Description:** Cutting-edge firming enhancer designed to defy time.

**Key Benefits:**

- Potent blend of messenger peptides minimizes the appearance of skin sagging
- Surface fine lines and wrinkles appear more relaxed
- Potent polyphenols help provide antioxidant protection
- Improves the feel of skin firmness on the face, neck and décolleté
- Helps diminish the appearance of skin redness

**Suitable for:**

All skin types

Use for skin sagging, lines, wrinkles, loss of firmness and radiance

**Usage:** AM & PM

Apply a thin layer morning and evening to the face, neck and décolleté. Ideal following the application of InterFuse® Intensive Treatment LINES

**Key Ingredients:** Mediterranean olive polyphenols, calming peptide blend, messenger peptide blend, glycerin

## REJUVENATE

### AlphaRet® Overnight Cream FACE & Intensive AlphaRet® Overnight Cream FACE

**Description:** A one-step nightly retinoid and AHA treatment.

**Key Benefits:**

- Diminishes the appearance of lines and wrinkles with AlphaRet®, a combination of a retinoid with lactic acid
- Reveals smoother, fresher skin with glycolic acid
- Provides protective benefits with potent antioxidants
- Soothes skin with a blend of calming agents
- Targets the skin's matrix via messenger peptides
- Intensive AlphaRet Overnight Cream FACE has a higher level of Glycolic Acid

**Suitable for:**

All skin types

Use for lines, wrinkles, uneven texture, discoloration

**Usage:** PM

Apply a thin layer over the face at night. Not suitable for use around the eye area

**Key Ingredients:** AlphaRet  
Messenger peptide blend, glycolic acid, sodium PCA, hyaluronic acid, niacinamide, tetrahexyldecyl ascorbate, bisabolol, portulaca, green tea, Co Q10, vitamin E

### Smoothing Experience Kit

**Description:** Features all 3 products formulated with InterFuse™ Technology

**Key Benefits:**

- Bundles perfectly with anti-wrinkle injections and dermal fillers
- Addresses the region of the skin that injectable procedures don't
- Introduces 3 products at the one time
- Combination of synergistic products to optimise smoothing and hydrating results

**Suitable for:**

All skin types

**Usage:** AM and PM.

As per individual product descriptions

**Key Ingredients:**  
See individual product listing

### Trio Rebalancing Moisturiser

**Description:** A triple action approach to hydration

**Key Benefits:**

- Address three critical elements to natural skin moisturisation – barrier function, hyaluronic acid and natural moisturising factors
- Delivers moisture and hydration balance back to the skin
- Plumps the appearance of fine lines and wrinkles for a more youthful looking skin
- Smooths texture of dry, dehydrated skin

**Suitable for:**

All skin types

**Usage:** AM and PM.

Apply a thin layer morning and evening to face, neck and décolleté.

**Key Ingredients:** sodium PCA, squalane, sodium lactate, sodium hyaluronate, cholesterol, ceramides 1 and 3, carnitine

## PROTECT + CORRECT

### A-Team Duo Kit

**Description:** Protect and Correct with the "A" Team

**Key Benefits:**

- Innovative and patented complexes and actives
- Unique 19 antioxidant complex paired with the AlphaRet® technology delivers gold standard rejuvenation with little to no irritation
- Introductory kit ideal for new patients in need of fast results
- Day and night approach to skincare in one kit

**Suitable for:**

- Ageing skin
- Thickened skin
- Photodamage
- Problematic skin
- Diffused redness

**Usage:** As per individual product descriptions

**Key Ingredients:**  
See individual product listing

## PROTECT

### Alto Defense Serum™ FACE

**Description:** The latest scientifically advanced breakthrough in antioxidant protection.

**Key Benefits:**

- WEL by skinbetter science® – 19 powerful antioxidant ingredients provide a new level of comprehensive and dynamic defense against external free radicals
- Designed to achieve the broadest range of antioxidant protection
- Replenishes skin's natural antioxidant reserve to help with the visible effects of premature aging
- Improves the appearance of fine lines and wrinkles and provides a revitalized complexion
- Essential fatty acids and lipids help support the skin barrier

**Suitable for:**

All skin types  
Use for uneven tone, redness, lines and wrinkles

**Usage:** AM & PM

Apply a thin layer morning and evening to face, neck and décolleté

**Key Ingredients:** synergistic blend of skin soothers, anti-pollution complex, blend of coffee, saffron, superoxide dismutase, ergothioneine, polyphenol rich superfood extracts of acai, turmeric, cocoa, green tea, chlorogenic acid, grape seed and Mediterranean olive, vitamins C, E and co-enzyme Q10

## TRANSFORM

### Instant Effect Gel EYE

**Description:** Refreshing daily eye gel

**Key Benefits:**

- Helps support more resilient-looking skin around the delicate eye area
- Increases the appearance of firmness and tightness of skin around the eyes
- Reduces the appearance of under-eye bags
- Light gel excellent for use under makeup or in combination with InterFuse® Treatment Cream EYE

**Suitable for:**

All skin types  
Ageing skin, fine lines and wrinkles, under-eye puffiness and bags

**Usage:** AM & PM (as needed)

Dispense one pump and apply using the rollerball around the eye area in circular motions. Pat into skin with fingers.

**Key Ingredients:** coffee robusta, sodium hyaluronate, blend of algae extracts, botanical extract, hyaluronic acid complex, anti-ageing liposome composition

## REFRESH – CLEANSING

### Oxygen Infusion Wash FACE

**Description:** A multi-tasking cleanser featuring slow releasing alpha hydroxy acids and an infusion of oxygen that aims to purify and refresh skin for a youthful, glowing appearance.

**Key Benefits:**

- Lightly foaming cleanser that delivers oxygen to the skin
- Leaves skin smoother and less irritated
- Prepares the skin for active skincare products
- Gently, removes build-up of oil and dead surface cells from the skin.

**Suitable for:**

Normal to Oily Skin

**Usage:** AM/PM

Use on face and neck twice daily. Apply one pump to damp skin. Massage gently with fingertips. Rinse with warm water. Use of sunscreen during the day is recommended

**Key Ingredients:** oxygen infusing complex, AHA blend (glycolic, lactic, citric), hydrolyzed jojoba esters, salicylic acid

## REFRESH – CLEANSING

### Daily Enzyme Cleanser FACE

**Description:** A daily use creamy, enzyme wash that cleanses thoroughly while providing gentle exfoliation and hydration to the skin.

**Key Benefits:**

- Gently exfoliates skin without irritation
- Promotes healthier-looking skin
- Provides improvement in skin smoothness, clarity and brightness
- Synergistic ingredients leave skin feeling hydrated
- Skillfully engineered to lightly refine and exfoliate, leaving skin conditioned and softened.

**Suitable for:**

Normal to Dry skin

**Usage:** AM/PM

Use on face and neck twice daily. Apply a teaspoon size amount to damp skin. Massage gently with fingertips. Rinse with warm water. Use of sunscreen during the day is recommended

**Key Ingredients:** papain and bromelain enzyme blend, bilberry, lemon, orange, sugar maple and sugar cane fruit acid blend, mushroom extract, hydrolysed jojoba esters

## REFRESH – EXFOLIATING

### Detoxifying Scrub Mask FACE

**Description:** Dual-functioning, clay-based scrub mask uses biodegradable spherical beads and naturally derived ingredients to resurface and promote smoother, more even-toned skin.

**Key Benefits:**

- Gentle beads provide mechanical exfoliation
- Absorbs sebum and remove toxins and impurities
- Calming agents help soothe and condition skin
- Strength and efficacy can be customized through frequency and duration of use

**Suitable for:**

All skin types

**Usage:** AM/PM

Use up to three times per week. Apply a teaspoon size amount to clean, damp skin. Massage gently with fingertips, leave on for up to 15 minutes and then rinse with water. Avoid eye area

**Key Ingredients:** bentonite and kaolin clay minerals, octyldoecyl olivate cocos nucifera, jojoba beads, mushroom extract

## REFRESH - MOISTURIZE

### Hydration Boosting Cream FACE

Description: A dual-action, lightweight moisturizer that reduces loss of moisture in the skin while delivering long-lasting hydration to support a healthy skin barrier.

#### Key Benefits:

- Enhances skin's natural moisture retention
- Improves and maintains long-term skin hydration
- Helps improve skin firmness
- Excellent add-on to any skincare regimen for additional moisturization
- Non-comedogenic
- Provides soothing hydration and a velvety finish.

#### Suitable for:

All skin types

#### Usage:

Apply as needed for moisture to the face, neck and décolleté. May be used following skinbetter science® treatment regimen and before sunscreen.

Key Ingredients: niacinamide, skin identical ceramide blend, glycerin, saccharide isomerate, patented skin lipid emollient complex, red algae extract
